Mr. P. O'Leary,

Dear Mr. O'Leary,

I hope you recall meeting me in Billy Hearne's place one evening. Billy mentioned to me that you were interested in the Anti-Partition Movement and you gave me yourself the name of Dr. O'Donnell in Morden who would also be interested. We are planning now to start a Branch in Wimbledon and the surrounding areas and we shall probably hold a meeting in the near future. I wrote to Dr. O'Donnell and told him about this, but meanwhile I am wondering if you could help us in the matter by giving us the names of any more people interested. We are also looking for a Hall suitable for accommodating fifty to one hundred people where we would hold our first meeting. I should like to hear from you about the prospects of getting support in Mitcham for the proposed branch. If you would drop me a note I am free to meet you any time during the day.

Yours sincerely,

Organising Secretary
