J.O. Barry Walsh,

London.

A Chara,

I thank you for your letter of 15th inst. and having heard on Friday last from Dublin of proposed conference, I had the matter tabled and discussed at our Council meeting on Sunday last.

I need hardly tell you that we are in full agreement with any ideas or meetings which would help to link up the towns of Great Britain in the movement. Even an exchange of views on this alone would make the journey worth while.

Would it not be possible to have this meeting on Easter Sunday (one week later). The next day is a holiday and we could have an easier journey than travelling 400 odd miles on the Saturday night and again on the Sunday night. If it cannot be altered it won't matter, we'll do anything for progress of the movement.

Mr Flynn and myself have been selected as the two delegates, and we are looking forward to this meeting. You can let me know right away when and where we meet. You need not worry about meeting us. I have a brother down there and several friends who I suppose will be at the station.

Let me conclude by extending to the A.P. League and yourself best feast day greetings and success to our aims.

Is mise, le meas,

General Secretary of the
Anti-Partition of Ireland League.
