Dear Sir,

The Rotary Club of Colchester with a view to forwarding international understanding would like to get an Irishman of the Irish Free State to give a short talk of about twenty minutes to the Club after lunch on Tuesday June 13th on "What the Irish Free State is thinking". I write to you to ask you if you can kindly recommend me somebody who would be willing to serve us in this matter. The idea is that members would like to know what the Irish Free State is thinking with regard to relations with England and other European countries.

I shall be glad if you can help me and thank you in anticipation.

The Rotary Club makes a practice of paying the travelling expenses of speakers.

Yours faithfully,

(Ar. T. Austing)
Programme Secretary.
