A Chara,

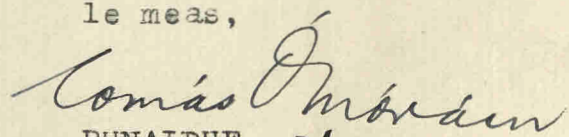

I duly received your letter of December the 16th and must apologise for the undue delay in acknowledging same. I was unfortunate in an attack of the 'flu' just about Christmas time and have been indisposed since then.

We had a very successful public meeting here on December the 4th at which our campaign was launched. Since then the Christmas and New Year holidays called a halt to activities; We have however now resumed and at our last executive it was considered advisable to follow up the good effects of the December meeting by establishing branches in the most suitable centres of the area. Six of these centres have now been scheduled and the first branch is being opened in the neighbouring Borough of Bootle on Monday night next. By this means we hope to recruit a substantially large individual membership and at the same time revive the necessary enthusiasm and interest that is needed so much. I will keep you acquainted as to the progress and development of the organization in this area, from time to time, and shall be glad to hear from your goodself as to progress in your own area.

In a communication I had from Mr Cahir Healy, he informs me that he is to address a meeting in Manchester on Sunday next. I think it would be very helpful (as soon as Manchester has got going) if the Chairmen and principal executive officers of the London, Liverpool, Manchester and Glasgow areas could meet for an exchange of views. Perhaps you would give me your observations on this suggestion.
